WELCOME to the Iron Pier Craft House, established
in 2016, featuring our own unique blend of sharing,

tasting and tapas. You will love this non-traditional style of dining! It's a fun way to promote conversation over really good food. Our food is locally sourced, handcrafted, and sent from the kitchen once it is prepared. We encourage your entire group to try many different selections and pass them around the table as you take in the innovative and creative flavors. Have fun with our new concept; there are no rules! Of course, if you would like the traditional dining, please let us know and we would be happy to accommodate you.
